The cycling community is requesting for help to identify this individual who was driving a Kia car around 6:00PM last August 8,2023 near Welcome Rotonda.

He cut across this cyclist, assaulted and pulled out a gun on the unarmed cyclist, a criminal offense under our penal laws. He appears to be a government employee, in light of a lapel pin.

The cyclist wants to file criminal charges, but forgot to get the car's license plate out of fear for his life.

"VP LENI: FIRST EVER HOUSE TOUR! | KAREN DAVILA EP21"
SEPTEMBER 18, 2021
'Yung online store na binibilhan namin for groceries, meron silang shopper, 'di ba? Tapos minsan tatanungin ako ng shopper, "Ikaw po ba si VP?" Kasi siyempre, Leni Robredo 'yung nakalagay.
You were doing it yourself? Iniiwan mo 'yung address doon?
Oo, oo.
Pero kahit for security reasons, 'yung ibang tao nga, 'yung mga celebrities, ayaw nilang mag-iwan ng phone number. Ayaw nila malaman na sila 'yun.
Siguro hindi ako conscious sa ganyan, Karen. Parang naisip ko siguro, wala namang mag-iinteres sa akin. Wala silang makukuha sa akin.

The *RIZAL* screenplay is centered on Rizal's 4-year exile in Dapitan. This period started in July 1892, shortly after his return from his second trip abroad. The narrative juxtaposes life in Dapitan with flashbacks to Rizal's past and visualizations from his two novels.

Dualism divides a domain or phenomenon into two separate principles or kinds.

Dualism is a family of views that posit a fundamental division into two separate principles or kinds. It typically emphasizes a sharp distinction between independent or antagonistic sides, but also includes theories in which the two sides are correlated or complementary. Dualism contrasts with monism, which rejects any fundamental division, and spans many domains. Mind–body dualism holds that mind and body are fundamentally different. Ethical dualism regards good and evil as antagonistic forces that govern human conduct and the cosmic order. Platonic dualism divides reality into timeless forms and mutable matter. Epistemological dualism posits an essential gap between the object of perception and the real object. Critics argue that dualism ignores continuities, creates pseudoproblems, or introduces evaluative biases. Dualism has its roots in antiquity as a key theme of various religious traditions, such as

Senator Robin Padilla defended his statements during the impeachment trial of Vice President Sara Duterte, saying he remains accountable to the people who elected him and dismissing criticism from what he described as “paid troll farms.”

“Ako ay ibinoto ng mga totoong tao. I’m only answerable to them, not to the paid troll farms. Dios mio, magugutom ang mga troll kapag tumigil ako,” Padilla said.

Padilla made the statement amid criticism of his remarks during the impeachment proceedings. During the trial, Padilla compared the use of aliases in confidential fund operations involving Duterte with the use of aliases by Filipino heroes in the past.

In a small chapel in Batangas, Philippines, devotees from around the world are drawn to a striking image of Our Lady, Mary Mediatrix of All Grace, which has reportedly been exuding fragrant oil for several years.

The revered statue, depicting the Blessed Mother with open hands and a serene, compassionate expression, is said to continuously produce a sweet-smelling oil — sometimes flowing visibly from her hands, robes, or face.

Pilgrims describe the oil as clear to golden in hue, with a heavenly fragrance reminiscent of roses or sacred incense. Many collect small amounts on cotton or cloths for personal prayer, reporting experiences of spiritual consolation, healing, and profound graces.

One devotee shared: “I came to the chapel in San Jose, Batangas, suffering from chronic pain and emotional distress that medicine could not fully relieve. I prayed before the image of Our Lady, Mediatrix of All Grace, and gently applied a few drops of the fragrant oil to my afflicted area while invoking her intercession...

...Within days, the pain significantly diminished, and a deep peace replaced my anxiety. Doctors later confirmed remarkable improvement with no medical explanation. I give thanks to God and to Our Blessed Mother for this grace. It renewed my faith and drew my entire family closer to the Sacraments."

Church authorities encourage the faithful to approach such phenomena with prayerful discernment, focusing on the core Catholic teaching of Mary's powerful maternal role. The image continues to inspire deep devotion among Catholics seeking her help in times of need.

In an era of uncertainty, this reported sign points to the timeless truth that Mary, as Mother of the Church and Mediatrix of All Grace, continues to lead souls closer to her Son, Jesus Christ. It echoes the universal Catholic experience of turning to Our Lady in prayer for intercession.

O Mary, Mother of the Church, pray for us. 🙏

Hello, AllHitz Fam! Jack here! 👋📻

Here's a quick update regarding our Starlink backup connection, which remains in use as the outage affecting our main internet connection is still ongoing.

If you experience a brief stream interruption even when your own internet connection is strong and stable, please bear with us. While we're operating on our satellite backup, occasional fluctuations or brief interruptions may occur, which could temporarily affect our broadcast stream.

But don't worry—if the stream drops for a moment, just reconnect and your favorite music will still be right here waiting for you! 🎶💙

We're hoping our main internet service will be restored as soon as possible. Unfortunately, the outage itself is beyond our control, but we'll continue doing our best to keep AllHitz24 on the air using our backup connection in the meantime.

Thank you for your patience and understanding, and keep enjoying the music right here on your Internet's **#HitsForAll**! 📻🎶

LENI: NAGA WILL NOT TOLERATE ABUSE OF VENDORS
Former Vice President and now Naga City Mayor Leni Robredo said her administration will not tolerate the alleged abuse of vendors by city employees after sharing a post about an incident that occurred several years ago.
Robredo on Saturday, August 29, shared a screenshot of a Reddit post containing a screenshot of former Commission on Elections (COMELEC) Commissioner Rowena Guanzon's post on X (formerly Twitter).
Guanzon's post asked whether the Naga mayor was aware of a city employee allegedly abusing vendors, saying the complaint came from a Naga resident.
The Reddit post criticized the alleged conduct as a "power trip" and expressed anger that someone from a disadvantaged background would allegedly treat vendors in such a manner.
Robredo clarified that the incident being discussed happened three to four years ago, before she became mayor of Naga.
"This was sent to me. FYI, this happened 3-4

King Harald V of Norway, Europe's oldest reigning monarch, has died at the age of 89, the royal palace in Oslo has announced. He will be succeeded by his son King Haakon VIII.

"It is with deep sadness that we announce that His Majesty King Harald passed away today. King Harald passed away peacefully at Oslo University Hospital on Friday, August 28 at 6.35 am," the palace said in a statement.

The new king, whose wife Mette-Marit has come under heavy recent scrutiny for her much-criticised association with the late US sex offender Jeffrey Epstein, will formally inform the government of his father's death later on Friday.

Anjana Raja had long dreamed of traveling to Nepal as part of a spiritual journey to Mount Kailash ever since she was a teenager, she said.

When she and her husband finally made that dream a reality this month, the California mom of two told ABC News she never imagined the trip would force them into survival mode as they were nearly swept up in the deadly landslide flood that hit the region.

DALAGA SA SOUTH COTABATO, NAPASUGOD SA PALIKURAN DAHIL SA PANANAKIT NG TIYAN, SANGGOL PALA ANG KANYANG ILULUWAL!

Paanong nabuntis siya gayong halos buwan-buwan pa rin daw siyang dinadatnan?

“Nakakaranas kasi ako ng 11 months na walang regla.

Nu’ng gabi na ‘yun, nananakit ‘yung puson ko.

Akala ko parang cramps lang kasi baka dadating ‘yung menstruation ko.

Pinainom nila ako ng gamot.

Pero hindi pa rin nawawala.

Until nafi-feel ko po, parang nadudumi ako.

Papunta na ako ng CR, napa-stop ako kasi parang mayroong bilog sa private part ko.

Pag-upo ko, nagpu-push ako.

Aug 29, 2026 20:25:02

facebook

Pag-upo ko, nagpu-push ako.

Ulo na pala ng bata!

Nasalo ko ‘yung katawan.

Doon na siya umiiyak.

Sabi ko, ‘Hala baby pala 'to!’

Tapos two minutes, lumabas na rin ‘yung placenta niya.

Hindi ako makatayo kasi nanginginig ‘yung dalawang paa ko.

Natulala ako kasi hindi ako makapaniwala!

May baby pala akong dinadala within 9 months.

Panaginip ba ito?

Wala naman akong nararamdaman na buntis pala ako.”

ESTUDYANTE SA ISABELA, NAPANA SA LEEG HABANG NAGKAKLASE!

“Sa leeg ‘yung tama ng bata.

Pagdating namin, medyo maputla na siya.

Nanginginig siya.

Namamanhid daw ‘yung kamay niya.

Buong ulo ng pana nakapasok sa leeg ng bata.

Nagtulong-tulong kaming hindi magalaw ‘yung pana.

Nilagyan namin ng donut ‘yung pana para hindi maglupaypay.

Kahit walang bleeding na lumabas, delikado na.”

Sa gitna ng pagbaha, sana hindi makalimutan ng taumbayan na may isang trilyong pondo na inilaan sa flood control ang gobyernong Marcos, at may 11,340 flood control projects ang gobyernong Duterte ang hindi napapakinabangan.

GRIMSEC PHILIPPINES
WE ARE NOT HERE TO SABOTAGE. WE ARE HERE TO SEND A MESSAGE.
First and foremost, we stand in solidarity with those who continue to uphold justice and fight for our beloved country. To all prosecutors and those who courageously pursue accountability: **thank you. Your work matters.**
To our fellow countrymen: **THIS IS THE TIME TO WAKE UP.**
Enough of corruption. Enough of abuse of power. Enough of leaders who believe they are above the law.
No politician should be untouchable. No position should place anyone beyond accountability. **Investigate. Prosecute. And if found guilty, let the law take its course — regardless of their name, power, or position.**
This includes Vice President **Sara Duterte**.
Our country belongs to its people, not to politicians who abuse the trust given to them.
We are watching. We are paying attention. We will not stay silent. And we will continue to demand accountability.
JUSTICE. ACCOUNTABILITY. NO ONE IS ABOVE THE LAW.
The Bakahatsu
Your fortress has fallen.
This domain belongs to the void now.
Your defenses were nothing but paper walls.
Patch what remains. There will be no next warning.
